

Securing your pension with Legal & General

The Trustee of the Boots Pension Scheme and Boots have agreed to make some changes to the Scheme. Letters have been issued to all members explaining these changes.

- **SECURING YOUR PENSION** – We have insured your pension with a leading insurance company, Legal & General. This change means your pension now has the added protection of the insurance regime
- **PARTNERING WITH LEGAL & GENERAL** – Following a competitive process, the Trustee and Boots selected Legal & General as the best-placed partner to safeguard your pension given its wealth of experience, its reputation in the insurance market and excellent financial strength
- **FURTHER FINANCIAL SUPPORT FROM BOOTS** – The Scheme did not have enough funds to purchase this insurance policy without further substantial financial support from Boots. To allow the Scheme to purchase this insurance, Boots will bring forward c.£170m of already committed payments to the Scheme and has committed to pay an extra contribution expected to be c.£500m to the Scheme

IMPORTANTLY, YOUR SCHEME

BENEFIT ENTITLEMENTS REMAIN UNCHANGED.
